"Cidiots" is the derisive term some locals give to the city residents who flock to the East End each summer. Two young authors, Emily Harding and Audrey Bellezza detail the ins and outs of the tony enclave on the eastern end of Long Island in their new novel out this week.

Townies vs Gownies in Elizabeth of East Hampton Out This Week

CITY ARTS

I never thought of myself as a "cidiot" but live and learn.

I was introduced to the term by the new summer read, Elizabeth of East Hampton by Audrey Bellezza and Emily Harding that hit shelves on Aug. 6.

The novel's lead character Lizzy Bennet, whose family owns the town's bakery, explains the slight:...

A Ponzi Case Ends in a Bust, But a Damaged Reputation Lasts Forever
