Celebrate Jerusalem Day

Jewish News Syndicate (JNS)

The Jewish people's right to Jerusalem and the Land of Israel is enshrined in international law.

Op-Eds

How NOT to Fight Antisemitism

Moshe Phillips

Professor Derek Penslar of Harvard University wrote a book psychoanalyzing the Jewish people and denigrating Zionist patriotism as just hotheaded, irrational emotionalism.

Op-Eds

Sociological Pitfalls: We Must Stop Being Defensive about Our Right to a Homeland

Dr. Amy Neustein

How is Jewish identity, safety, and self-esteem affected by this rising tide of wrath that we see today directed at our communities throughout the world?

Op-Eds

Deconstructing Biden's Speech

Sarah Stern

There is no guarantee of Israel's security except Israel.

Op-Eds

European Jewry before the Shoah

Alex Grobman PhD.

How do we know when antisemitism has become an existential danger? When it becomes a mass movement.
