An economic 'reset' for Israel, Lebanon, Egypt and Turkey

U.S. President Donald Trump's brokering of a temporary ceasefire between Israel and Hamas already prompted a financial rally.

Now is the time to push the Heritage Foundation's 'Project Esther' forward

With the Republican win, it is time to move the Jew-haters out of their spheres of influence.

UN sabotage and subterfuge on the rape of Israeli women

The disgraceful role played by the U.N. in renouncing and shunning Israeli victims of sexual violence has affected the women's movement.

Don't defend the educational failures of ultra-Orthodox schools

We should call for reforms, not make excuses.
